

OTHER COUNTY PARKS

Modesto Reservoir Regional Park

Modesto Reservoir Regional Park is located at 18143 Reservoir Rd., a few miles from the town of Waterford, just off Highway 132. It offers over 3,200 acres of land and 2,800 acres of reservoir for recreation and camping.

Frank Raines Regional Park

The Frank Raines Regional Park offers the rugged slopes of California's Coast Range and is functionally divided into three units, separated by several miles of road. The Minnier Area encompasses over 1,000 acres of undeveloped land designed for non-motorized recreation use. The Frank Raines Day Use Area provides picnic tables, barbeques, a themed playground, and more. And for campers and OHV enthusiasts, the Frank Raines Off-Highway Vehicle Park is located across the Day Use Area.

La Grange Regional Park

The La Grange Off-Highway Vehicle Park includes 147 acres dedicated to off-roading. The west side of the park features 4 tracks and several directional trails for ATVs and motorcycles, including areas for novice, intermediate, and advanced ability levels. The east side of the park is a non-directional open ride area, with mud pits and challenging terrain that is ideal for 4x4 vehicles.

Laird Regional Park

Laird Regional Park offers 97 acres of land for recreational purposes. It is located on Grayson Road (J16) about two miles east of the community of Grayson on the San Joaquin River. This park also serves the role of neighborhood park to the nearby communities, featuring picnic facilities, group areas, and playing fields.

The Stanislaus County Department of Parks and Recreation is focused on acquiring, developing, and maintaining recreational areas in Stanislaus County. The Department manages park and recreational facilities that will provide a great experience for families to enjoy the outdoors at a low cost.
