FOR IMMEDIATE RELEASE

September 19, 2024

MINES ROAD CLOSURE AT MILE MARKER 6.50

UNINCORPORATED ALAMEDA COUNTY – Please be advised that **Mines Road will be closed to traffic at Mile Marker 6.50, starting Monday, September 30, 2024 through Saturday, October 19, 2024. This full closure will be in effect 24 hours a day, 7 days a week during this period.**

The full closure is essential to repair severe roadway damage caused by landslides and to ensure the road's safety and durability. We urge travelers to plan in advance and use alternate routes.

Your understanding and cooperation are greatly appreciated as we work to restore and enhance Mines Road for the long-term benefit of all users.

For more information and project updates, please visit the Alameda County Public Works Agency website at www.acpwa.org, email info@acpwa.org, or call the construction hotline at (510) 670-5591.

###

Our mission and goal are to provide, maintain, and preserve public infrastructure efficiently and effectively while promoting a healthy and sustainable environment that supports safe and livable communities.
